Helping protect small business from online threats

Cyber Wardens is an initiative of the Council of Small Business Organisations of Australia, supported by the Australian Government and an industry alliance led by Telstra and CommBank.

Cyber Wardens

Cyber Wardens who have completed 'Level three: Cyber Fit for the Supply Chain' understand their role in keeping themselves and their supply chain partners safe from cyber threats.

They can:

- ✓ Apply the Essential Eight and SMB1001 cyber security strategies in their business
- ✓ Ask suppliers and service providers the right questions about cyber safety
- ✓ Create and maintain a simple Incident Response Plan to respond to cyber incidents confidently
